Special Session 1:00 pm
Mr. Healey, Mr. Gannon, Ms. Power

The Board considered the draft recommended motion under Article 13 of the Warrant for the 2016 Annual Town Meeting. Ms. Foley explained that the Town Accountant had spoken to department heads to determine any extraordinary expenses that would be likely to require transfers from the Reserve Fund. Snow and Ice, Legal, Workers Compensation, Debt Service and Medicare expenses are expected to be considerably higher than originally budgeted.

Voted - to recommend that the Town transfer from available funds the sum of \$781,436 to the Town's Reserve Fund for use during Fiscal Year 2016.

The Board then joined the Moderator's meeting which was already in progress.

Meeting adjourned at 1:50 pm.
