

Hingham Recycling and Dumpster Regulations

Proposed Update

The Hingham Board of Health is giving notification to a Motion made on February 28, 2017 for the Hingham Recycling and Dumpster Regulations adopted March 10, 2015. The proposed change is to Section VI (C) to remove the itemized quarterly report requirement and changing it to an annual itemized report. Said reports should be itemized by tonnage per month according to each category of recyclables collected. Submission of this report is conditional of the RTDP renewal

Voted 4-20-17 for public posting.

Section VI: Rubbish Haulers

- (A) All commercial rubbish/recycling haulers conducting business within the Town of Hingham shall have valid Rubbish, Trash Disposal Permit (RTDP) issued by the Board.
- (B) A commercial rubbish/recycling hauler shall employ reasonable care in collecting or transporting Rubbish and/or Recyclables within the Town of Hingham. Accordingly, any Person or hauler is responsible to promptly pick up, remove, and remedy any spilled Rubbish and/or Recyclables relating to their activities or actions.
- (C) All commercial rubbish/recycling haulers shall keep an itemized report of all Recyclables collected in the Town of Hingham. The report shall be submitted to the Board on an annual quarterly basis and summarize the totals of Recyclables collected during the quarters ending March 31, June 30, September 30 and by December 31st and is a condition of RTDP renewal. Reports are due within 30 days of the end of the quarter. Said Reports should be itemized by tonnage per month, according to each category of Recyclables collected. A report template is available from the Hingham Health Dept. Copies of weight slips documenting quarterly tonnage data should be included with the report.
