At approximately 7:00 p.m. on April 16, 2019, the Water Company Acquisition Study Committee (the “Committee”) attended a joint session with the Hingham Board of Selectmen at Town Hall.

Each member of the Committee was presented—and gratefully received—a framed proclamation from the Board of Selectmen citing the Committee’s work over the past seven years “to provide the public with a full and substantive understanding of the issues surrounding the acquisition of the water company known as Aquarion.”

Committee member Bob Higgins spoke briefly on behalf of Committee members in thanking outgoing Selectman Paul Healey for his many years of volunteer service to the Town.

The meeting was adjourned at approximately 7:14 p.m. upon motion and a unanimous vote.
