Route 3A Task Force Meeting Minutes

June 30, 2021 at 7:15PM

Members of the 3A Task Force - Judy Sneath, Alan Perrault, Bryce Blair, Deirdre Anderson, Paul Healey – were joined on Zoom by Town Engineer JR Frey, and DCI Dave Giangrande

Judy Sneath called the meeting to order at 7:15 PM and read the prerequisite statement regarding the Governor's 2020 order allowing remote meetings, and the rules governing recording the meeting.

JR Frey reported on key points, including:

- State's sub-grade utility survey along the length of the project, full information helpful to design
- Shared-use-path along 30 Summer St., challenge and cost of moving to sea-side of building, and discussion of further investigation of that option
- Utility poles between rotary and Martin's Lane, location that will minimize use of private property

Dave Giangrande discussed need to have the 25% Design Public Hearing in mid-September; managing the project on the TIP; added urgency required to be at the ready.

Next meeting scheduled for Wednesday, July 28 at 7 PM

Meeting adjourned at 8:30PM
