MASTER PLAN COMMITTEE MEETING MINUTES

**February 26, 2020 at 7:00 PM
Hingham Town Hall, 210 Central Street
South Hearing Room, 3rd floor**

Present: Gordon Carr, Paul Healey, Bob Hidell, Nancy Kerber, Liza O'Reilly, Adrienne Ramsey, Deirdre Anderson, Liz Klein, Michael Kranzley, Susan Sarni, Jerry Seelen, Donna Smallwood, Bryce Blair, Vcevy Strekalovsky, Hans von der Luft. Also present: Mary Savage-Dunham.

Master Plan Committee (MPC) Chairman, Gordon Carr called the meeting to order at 7:05 PM and welcomed the Committee. Judi Barrett, Daphne Politis, Jeff Davis and Alexis Lanzolotta were in attendance from the consulting team.

Mr. Carr stated that the focus of the meeting was to review and discuss the initial findings as compiled by the consultant team by chapter, and he turned the meeting over to the Judi Barrett. The Consultant team proceeded to review the PowerPoint presentation on the initial findings. Once the entire PowerPoint presentation was completed the Master Plan Committee (MPC) members provided comments and feedback on the findings and identified items that needed to be clarified. The MPC and Consultant team agreed that each section and some of the individual findings were very specific and some were broader. The goal was not to reach consensus at this meeting and there will be an opportunity to provide additional comments and feedback after this meeting is over.

Judi Barrett also distributed the draft chapters on Sustainability and Public Facilities, as well as the draft Vision & Goals document to the MPC for them to take home and review. Mr. Carr advised the MPC that there may be a need to add a meeting in May, and that there would be more discussion of that at the next meeting. The intent of adding a meeting is to stay on schedule but allow sufficient time for the MPC to really discuss these important topics as a group.

As there was no other business the meeting adjourned at 9:15 pm.
