FORM A

**APPLICATION FOR ENDORSEMENT
OF PLAN BELIEVED NOT TO REQUIRE APPROVAL**

Hingham, MA, May 31, 2023

To the **Hingham Planning Board**:

The undersigned, believing that the accompanying plan of his property in the Town of Hingham does not constitute a subdivision within the meaning of the Subdivision Control Law, herewith submits said plan for a determination and endorsement that Planning Board approval under the Subdivision Control Law is not required. For the following reasons:

The ANR Plan does not require approval under the Subdivision Control Law because the division shown on the ANR Plan would merely add to, take away from, or change the size and shape of the lots shown in such a manner as not to leave any lot so affected without the minimum required frontage.
