The reason for this announcement is to provide advanced notice to residents that the Town of Hingham nor its' contractors are not responsible for the replacement of or readjustment of cobblestones, bricks, landscape borders, cement structures, irrigation lines or any other private underground utilities that are placed within the town right-of-way. If there are any irrigation lines or other private underground utilities within the town right-of-way, we urge you to address/remove prior to commencement of the anticipated road work.

If you should have any questions, please call the Department of Public Works at 781-741-1430.

Thank you,
