Hi Mary,

I'm sending you a few photos from today, April 22nd, 2019, regarding the property of Mr. McKee. Others photos will follow this email.

I'm very concerned about the water and flooding issue. I understand the next planning board meeting is May 21st however in the meantime what will happen with the water.

I wanted to send these pictures for documentation as we move forward.

Regards,

Sheela Calhoun
