Subject: 45 Industrial Park Road

Hi Mary,

I reviewed the plans and have the following questions and comments:

I have a Title 5 inspection from 5/4/18 which is good for a year, unfortunately it has expired. I will need a new Title 5 Inspection. The system was built for 975 gpd. I would need the following information:

Current space w/ Title 5 gpd
Proposed new use in gpd
