Hi Mary,
The applicant will also need to file a Notice of Intent with the Conservation Commission before they can begin construction.

Thanks,
Loni

Good afternoon,
The planning board is in receipt of a new application for Site Plan Review. The application materials and a violation letter are attached for your use and information. The hearing will open on August 19th. If you have any comments for the Planning Board to consider please provide them in advance of the hearing.

Thank you,

Mary
